### **NCJUA/NCIUA CATASTROPHE EXPENSE REIMBURSEMENT SCHEDULE**

- All claim assignments require full adjustment including initial contact, inspection(s), photos of the insured location and covered damages, photos of prior and/or unrelated damages, total loss ITV(s), required coinsurance calculations, diagrams and investigative reports.
- The schedule applies to the Gross Loss or the Limit of Liability (whichever is less).
- Additional charges or fees for official records, ferry transport, parking and cart fees (Bald Head Island) are to be billed at cost only.
- The use of experts requires pre-approval by the Association on Full Peril Policies and is to be submitted with the service invoices as soon as possible.
- Basic Eagle View with attached invoice are to be billed at cost only.
- Ladder assists require prior approval from the Associations.
- No additional charges of any kind are to be added without prior approval of the Associations.
- Re-inspection Fees – Expenses associated with re-inspection may be charged at a flat rate of \$150 or the difference in fee level, whichever is greater.
- T&E @ \$90/hr.
