IMPORTANT NOTICE-CHANGE TO RETURN PREMIUM NEW BUSINESS**

Effective March 15, 2005, the Association will return Dynamic Web accepted new business premium refunds for transactions within the first forty-five (45) days to the producer listed on the policy. Again, this change will only apply to new business submitted to the Association via the Dynamic Web.

We have made this change as a result of input from the Producers in North Carolina and it has been approved by our Board of Directors. This change was required to assist with delayed or cancelled real estate closings, or other issues that may arise during the new business application process.

Hopefully you will find this change beneficial to your operation. If you would have any questions, please contact your Unit Underwriter.
