**RE: DEWEY MESHAW - RETIREMENT ANNOUNCEMENT**

Hello Everyone,

Dewey Meshaw, General Manager of the North Carolina Joint Underwriting Association and North Carolina Insurance Underwriting Association has announced his plan to retire at the end of 2011.

Mr. Meshaw began his insurance career in 1968 in the marketing department with Great American Insurance Company in Raleigh, North Carolina. Subsequent employments were with Security Insurance Company and Aetna Insurance Company, which as part of Connecticut General Insurance Company merged with INA in 1982 to become CIGNA. Dewey worked with Aetna and CIGNA for 22 years before being named General Manager of the FAIR and Beach Plans in 1992.

Dewey has been serving the Associations in a superb manner for 18 years. As General Manager he leads both associations daily to uphold their mission to provide basic property insurance coverage to policyholders while offering quality service to both producers and insureds as well as protecting the assets of member companies. Under his direction, the Plans have developed excellent working relationships with the NC Department of Insurance, the voluntary markets and all NC agents. He has been an excellent leader to his staff and an asset to the insurance industry.

In these long years of service, his efforts and hard work are greatly appreciated and difficult to measure. Join me in congratulating Dewey on his approaching retirement, and wishing him well through all the coming years.

Sincerely,

Steve Carroll, Executive VP and General Manager, NC Farm Bureau Mutual Ins Co. and Chairman, NC Joint Underwriting Association and NC Insurance Underwriting Association
