### Note 1. Change in Fiscal Year End

On May 16, 2013, the Board of Directors of the Association approved a change in the Association's fiscal year end from September 30 to December 31 of each year. This change to the calendar year reporting cycle began January 1, 2013. As a result of the change, the Association had a three month transition period from October 1, 2012 through December 31, 2012, the results of which will be separately reported and classified as a short period (SP).
