OPERATIONAL AND PROCEDURAL CHANGE
Addition of Dwelling and Dwelling Wind Quick Raters

June 30, 2017

North Carolina Joint Underwriting Association and North Carolina Insurance Underwriting Association are pleased to announce new Dwelling and Dwelling Wind Quick Rater worksheets. These worksheets are available in the Underwriting section of the Associations' website:

www.ncjua-nciua.com

These tools provide a quick method for reviewing the available deductible options and resulting premiums as you assist your Policyholders to mitigate upcoming rate changes taking effect on August 1, 2017.
