**IMPORTANT NOTICE  
ON-LINE DECLARATIONS**

On July 17, 2009 the Associations announced the development of the On-Line Declarations feature.

This feature will be available on the Policy Inquiry screen of our Dynamic Web. With one click you will be able to view all declarations, bills and letters that are associated with the requested policy number.

The original implementation date was September 1, 2009. However, the implementation of this feature has been delayed until **November 1, 2009**.

**We will formally announce this implementation as this date approaches.**
