**IMPORTANT NOTICE  
ON-LINE DECLARATIONS ANNOUNCEMENT**

**PHASE I**

On **September 1, 2009**, the NCJUA/NCIUA anticipates the Dynamic Web Producers will have the capability of viewing policy declarations on-line for their Policyholders.

This feature will be available on the Policy Inquiry screen of our Dynamic Web. With one click you will be able to view all declarations, bills and letters that are associated with the requested policy number.

**We will formally announce this implementation of Phase I as this date approaches.**

**PHASE II**

Beginning **January 1, 2010**, the NCJUA/NCIUA plans to reduce or eliminate many of the types of policy declarations generated to the Producer.

We do not plan to change the mailing process of Policyholder and Mortgagee copies. These declarations will continue to follow the same process as today.

The NCJUA/NCIUA will develop an electronic expiration report to all Producers. This report will show which policies are expiring for that particular period and is anticipated to coincide with the reduction or elimination of the Producer's copies as mentioned above.

**We will provide more information on Phase II initiatives and procedures as they are developed.**
